Shaping  
future leaders

# Internship

---

The recipient of the scholarship will have the opportunity to work as a paid intern for Twin Valleys Public Power District (TVPPD) during the summer between their first and second years of schooling. A summer internship is required for completion of the Utility Line Program at Northeast Community College in Norfolk.

# Guidelines

---

1. A \$1500 scholarship will be paid out after the 1st year and a \$1500 scholarship will be paid out after the 2nd year for a total of \$3000 provided a transcript is received from the school showing successful completion of each year before payment. Payment will be made directly to the student.
2. Applicant will submit a personal essay, not to exceed 350 words, explaining why he or she is interested in the utility line program of study as well as high school class rank and grade point average.
3. Applicant must be a high school senior or graduate.
4. The applicant must reside in the area generally served by TVPPD.
5. The Selection Committee will choose one student annually as the recipient of this scholarship. TVPPD reserves the right to reject any or all applicants.
6. Applicant will have applied to be admitted to the utility line program at Northeast Community College and will either have been accepted or placed on the waiting list

# Questions

---

Any questions should be directed to Alan Rogers at 800-658-4266. Applications should be postmarked by January 1st to:

Alan Rogers  
Director of Operations and Engineering  
Twin Valleys Public Power District  
PO Box 160  
Cambridge, NE 69022
