Effective: 02/01/2021

Attest: *Brent Ballou*

I. AVAILABILITY:

This rate is for residential, commercial and/or industrial consumers (except irrigation) requiring three phase service with peak demands of 75 kW or less, subject to the District's Service Rules and Regulations. However, any commercial and/or industrial consumer with an annual load factor of at least 250 kWh/kW and either (1) a monthly demand greater than 50 kW, or (2) consumption greater than 15,000 kWh per month during any three months of twelve consecutive months shall have the option of billing under the LP Rate Schedule.

II. TYPE OF SERVICE:

Three phase, 60 hertz, at available secondary voltages.

III. RATE:

Customer Charge: \$43.00 per month

Energy Charge:

Summer Season (June thru September)
All kWh per month 10.20 cents per kWh

Winter Season (October thru May)
All kWh per month 8.90 cents per kWh

The commercial consumer that contracts under the District's load management program to allow the District, at its option, to interrupt the service anytime during the peak demand period of the District's system will receive the Winter Season Energy Charge year round.

The monthly minimum charge for this service type shall be the Customer Charge.

IV. TERMS OF PAYMENT:

Bills are due and payable upon receipt and delinquent at the end of the month received, or as specified on the bill.

V. POWER COST ADJUSTMENT:

The energy charge provided herein may be adjusted in direct proportion to the production cost adjustment applied to wholesale power purchases, increased by the District's percent system loss the previous calendar year.

VI. POWER FACTOR ADJUSTMENT:

If the consumer's power factor at the time of the maximum demand is less than ninety percent (90%) lagging or leading, the District may adjust such demand to ninety percent (90%) of maximum kVA.

VII. TAX CLAUSE:

The rate provided herein will be adjusted to reflect the amount of taxes, license fees, franchise fees and/or any statutory payments required by law.

VIII. SUPERSEDES:

This rate schedule supersedes and cancels all rate schedules with which it may be in conflict.
