RATE SCHEDULE N

Subject: Net Metering

Page: 1 of 1

Effective: 02/01/2023

Attest:

I. AVAILABILITY:

This rate is available to qualified customers where Net Metering has been provided by the District according to Board Policy 26. The rates shown are for net excess energy delivered to the District only when the energy delivered to the District exceeds the customer's own use during a monthly billing period. Customers will be billed for net energy consumed according to the appropriate rate schedule.

II. RATE:

	Summer Credit (June through September excess)	Winter Credit (October through May excess)
Renewable Energy Resource	3.578 cents per kWh	3.286 cents per kWh
Annualized Net Excess Generation	2.650 cents per kWh	2.738 cents per kWh

III. TAX CLAUSE:

The rate provided herein will be adjusted to reflect the amount of taxes, license fees, franchise fees and/or any statutory payments required by law.

IV. SUPERSEDES:

This rate schedule supersedes and cancels all rate schedules with which it may be in conflict.
